Getting acquainted with one of the Tophatters from the Livermore Voice of Valley Radio Club was Campbell motorcycle officer Steve Windisch. CB'ers from throughout the area took part in the 3-day St. Patrick's celebration in Campbell last weekend with proceeds going to the American Cancer Society.

Stepping out, but not too far since it was a stationary parade, were members of the Palo Alto High School marching band. Last Saturday morning Campbell avenue, between Harrison and Second street, was closed off for a St. Patrick's Day parade. The rest of the weekend activities, including a dance, auction and a brunch, were at The Factory.

Any gripes, kudos, or ideas? Call 378-9136 to sound off.

I wanted to tell you there was a mistake in the article you had on the Jarvis-Gann initiative. It was in the top section where you showed how much people would pay in property taxes under Jarvis-Gann, the Behr Bill and with present rates. With the $50,000 home, for instance, you show you would only pay $375 under Jarvis-Gann. Actually, you have to take one percent of the assessed value, or $500, plus any bonded indebtedness to get the total.

John Brown

Editor's note: According to Tom Gilsenan, who prepared the article, that $375 figure is correct. First, assessments would be rolled back to the 1975-76 level so that home valued at $50,000 today would have been closer to $35,000 for purposes of figuring the tax. Second, a county-wide average of payments on bonded indebtedness was added to that figure to arrive at the $375. That figure would vary in different parts of the county depending on how many bond issues local voters had previously passed.

Did the candidates in the recent City Council election get permission to put up their campaign signs around the city? If not, what are the penalties?

CURIOUS

Editor's note: According to Bruce Powell of the Campbell Planning Department, those signs were not legal and letters were sent to both candidates about a week before the election asking that they be removed. Powell says he feels it was a case of misunderstanding on the part of the two challengers since they were told campaign signs were allowed in commercial and industrial areas. That regulation does not include the public right-of-way or utility poles in commercial and industrial areas, however. No further action is planned by the city.

It's been a year since we complained about Hamilton avenue and it's still a big mess. Those islands are so full of weeds you can hardly see anything else. I call the city every month and they blame the contractor. The new soil has been on there for months and now it's all full of weeds. I was told they are waiting for the sawdust to dry out before they can go ahead but I thought sawdust was put in in the first place to keep the moisture in. That doesn't make sense to me. When will the work be finished?

LOCAL GREEN THUMBER

Editor's note: According to Dave Valkenaar, project engineer for the city, last year the city put out a call for bids for landscaping those median

Campbell elementary report

Why your school is closing

By PAT SAFFORD

IF YOU LIVE in the Quito area your little white school house is being closed because enrollment is disappearing.

In fact, by September 1982 the district estimates there would be less than 10 students per grade level if the status quo was maintained.

For Cypress area parents the reasons for that school closure are a little more complicated. Such factors as the location of Cypress versus Lynhaven and the condition of both school plants were key factors in that decision.

Monday morning two top administrators in the Campbell Union School District met with this reporter to discuss the basis for each closure recommendation ratified by school trustees March 9.

While declining enrollment is the culprit that will close almost a third of the district's 17 schools in the next two years, some of those picked have higher enrollments than their more fortunate sister schools. Assistant superintendents Ron Rescigno and Ken Meinecke gave a school by school rundown of why those five were selected.

CYPRESS-LYNHAVEN CONSOLIDATION: Cypress is an older school, constructed in 1952 compared to 1958 for Lynhaven. The school sites are similar as far as acreage, 10.3 for Cypress and 9.3 for Lynhaven, and in the number of classrooms.

The big difference is in the estimated cost to bring those buildings into top condition; $92,000 for Cypress and $46,000 for Lynhaven. While the district isn't planning to spend funds to bring those sites back to A-1 condition, Rescigno explained this figure indicates the general condition of the facility.

Enrollment at both schools is declining. The 291 students at Cypress this year will be down to 275 this fall with Lynhaven's 272 students down to 235 for 1978-79. Vandalism is higher at Cypress, $1,599 on a three year average; per year, compared to $749 for Lynhaven.

Class size at Cypress averages 24 while Lynhaven's 27 is closer to the district goal.

Future growth in students, if there is one, would favor Lynhaven with a majority of R-1 zoning while maintenance costs for both schools is identical; $2,000. Administrative cost per student is similar; $85 at Cypress and $90 at Lynhaven but teacher costs are much higher at Cypress; $778 per student compared to $693 for Lynhaven.

QUITO CONSOLIDATION WITH MARSHALL LANE AND FOREST HILL: Sixty Quito students will attend Marshall Lane this fall with 130 others going to Forest Hill. This school has been eyed for closing for several years because of rapidly declining enrollments. The 220 students this year include 20 youngsters in the district-wide Educationally Handicapped program. By 1982 the district estimates those figures would plunge to 105, including the special education youngsters.

The age of the three schools is similar, both Quito and Forest Hill were built in 1962 with Marshall Lane constructed in 1961.

Class size is lowest at Forest Hill with 24.9 students. Marshall Lane averages 25 per class and Quito is highest with 26.6.

"The most important point in this school (site) was population," Meinecke said.

MOORPARK-MONROE CONSOLIDATION: Built in 1948, Moorpark is one of the oldest schools in the district.

Recall eyed

Parents plan law suit

By PAT SAFFORD

A COMMITTEE OF Campbell elementary district parents, upset over the recent school board vote to close five schools in the next two years, has been meeting and plans to take the issue to court.

JoAnn Fairbanks, a member of the new Save Our Schools (SOS) Committee said the group plans to seek a court injunction barring those closures until the courts can decide the issue. Some parents, she said, are looking into recall proceedings against the four Campbell trustees who voted for the closures. A fifth trustee opposed the motion at the March 9 meeting.

Schools to be closed this fall include Quito, Cypress and Moorpark School. In September of 1979 San Tomas and Sherman Oaks are to be closed and Monroe 7th and 8th graders to be transferred to Campbell and Rolling Hills junior highs.

FAIRBANKS SAYS THE legal case will be cased on the contention that the community should have been involved in the decision-making process of the school closings, rather than in responding to recommendations set forth by the administration.

The recommendation for closures was made at the Feb. 9 meeting and several revisions of those plans were made before the school board vote in March. A total of three public forums were held during that month as well as numerous special meetings with district officials at local schools.

The SOS group feels that public involvement was after, rather than before, the fact. They also feel that the administration and board didn't consider any alternatives to closing schools.

Last Thursday evening a meeting was held with parents attending from Sherman Oaks, Cypress, San Tomas and Moorpark schools, said Fairbanks, a San Tomas parent. The group discussed raising funds for that legal battle and also set April 4 as the date for a mass meeting to discuss the issues.

The site of that meeting has not been set.

Easter egg hunt this Saturday

Helping the Easter Bunny look for candy eggs is Eric Christopher, one of hundreds of local youngsters expected at the third annual Easter Egg Hunt and Bonnet Parade Contest this Saturday, March 25, at John D. Morgan Park starting at 9:30 a.m. Over 400 pounds of candy will be given away at the yearly event sponsored by Campbell Community Services. Bonnet Parade contestants in three age groups will be judged on such things as most creative, largest, funniest and others. For more information about the hunt or contest call 378-8141 weekdays.

Student YES asst. is sought

Applications will be available this Monday, March 27 for Campbell area high school seniors who would like to serve as Youth Employment Assistant for the local YES (youth employment service) program.

The paid assistant will be picked from applicants attended one of five high schools in the area: Camden, Campbell, Del Mar, Prospect and Westmont. Applicants may also attend private school and reside locally.

Deadline for submitting applications is Friday, April 7 at the new Campbell Chamber of Commerce office, 328 E. Campbell ave.

The YES assistant will help promotion of the local youth service program, as well as take part in finding job sits, receiving job applications and referring young people.

The position will be part time until the student graduates and then full time during the summer months.

For more information call the Chamber YES office at 378-1666.

Five in two years

A report on Campbell school closings

(Cont. from pg. 1)

Monroe opened in 1955. Acreage is similar, 16 at Monroe compared to 15 at Moorpark but Rescigno says the Monroe site is much more flexible.

Enrollment is substantially higher at Moorpark, 289 this year compared to 127 for the kindergarten through 6th grade at Monroe. Next year those figures will be down to 252 at Moorpark and 108 at Monroe.

Zoning tips the scales in favor of Monroe, with a larger share of R-1 zoning.

Both schools now bus more than a quarter of their students; 28 per cent at Moorpark with 27 per cent at Monroe. But Monroe's figures include mainly junior high students who would be moving to Rolling Hills or Campbell junior high.

"The basic reason for this recommendation is flexibility," Rescigno explained, "by removing the junior high students." Other important factors were the size of the plant, the R-1 zoning at Monroe and the fact that it is centrally located.

SHERMAN OAKS CONSOLIDATION WITH BLACKFORD: At the second go-around Dover was being considered for closing so all three are listed. Dover is the oldest school, built in 1954 compared to 1957 for Sherman Oaks and 1958 for Blackford. Acreage is identical for Sherman Oaks and Blackford, 12.5 acres. Dover is smaller, 9.4 acres.

"The number of usable classrooms was a key factor," Rescigno says. Both Dover and Sherman Oaks have 18 while Blackford has 26.

Class size is largest at Sherman Oaks, 27 students average, with 25 for Blackford and 24 for Dover.

Enrollment is most stable at Sherman Oaks with 382 students this year and an estimated 366 this fall. Blackford is expected to drop from 334 to 291 this fall and Dover will go from 384 to 336. Dover's enrollment figures include 130 students bused from Hamilton School which was closed last year.

The cost to bring the three school to tip top shape are $64,000 for Sherman Oaks, $68,000 for Blackford and $38,000 for Dover. Teacher costs are $691 for Sherman Oaks, $734 for Blackford and $786 for Dover.

Blackford was picked to receive the Sherman Oaks students, Rescigno says, because of the size of their plant and because it's centrally located. Blackford also has more R-1 zoning than Sherman Oaks.

The fact that Dover was removed from the closure list on the final go-round is only a temporary reprieve, according to Rescigno.

"In five years we expect to only need one school east of Bascom avenue." Dover would then be consolidated with Blackford.

SAN TOMAS-CAPRI CONSOLIDATION: Originally San Tomas was to be closed in this consolidation. But a second recommendation tipped the scales to Capri. When the final vote was taken it was back to San Tomas. Comparing class size and costs is almost a push between these two schools. San Tomas averages 27 students per class with 26 at Capri. Teacher costs per student is $700 at San Tomas and $687 at Capri and enrollment is dropping steadily at both schools. San Tomas' 350 students will be down to 293 this fall, the district estimates, while Capri's will go from 357-to 300.

The big difference is in the age and condition of the two schools. San Tomas was built in 1948 and Capri, which opened in 1964 has a more flexible design. The cost to bring both buildings up to A-1 condition tips strongly in Capri's favor with $36,800 in costs for Capri compared to $77,400 for San Tomas.

Transportation costs were another factor. Most Capri students would have to be bused to San Tomas while many San Tomas students will be able to walk to Capri and some, in the west side of the San Tomas area, may be able to attend Forest Hill.

"The factors were the site, flexability, age of the school and transportation needs," Rescigno said.

District officials are also looking five or more years into the future, if the decline continues at the present rate.

"Only one K-6 school may be needed in the future," Rescigno said. Rolling Hills, presently a junior high, may be that one school, he added.

A concern with some school sites with Little League fields, such as the Quito field at San Tomas.

"If there is a Little League field on a given site," Rescigno said, "we might consider giving that land to a municipality-Outdoor facilities are a critical need in this area."

How much money will the school district save??

The closing of five schools in the Campbell elementary district will result in the savings of $315,000 to the general fund, district administrators say.

This is basic overhead costs for keeping schools open including the salary of the principal, school secretary and-or clerk, custodians and utilities costs.

In addition the consolidation will result in an excess of 24 classroom teachers. According to Assistant Superintendent-Personnel Ron Rescigno this will give the district a pool of 24 unassigned teachers in the next two years which will be absorbed through attrition; resignations, retirements and transfers.

The basic overhead costs savings per school are: Quito, $51,231; Cypress $71,247; Moorpark, $82,343; Sherman Oaks, $54,150 and San Tomas, $56,120.

Excess teachers brought about with the closing includes: Quito, 10; Cypress, 3, Moorpark, 4, Sherman Oaks, 3 and San Tomas, 4.

Roaten E. Hinson.

Funeral services were held Saturday for Roaten E. "R.E." Hinson, 68, who died March 13 after a long illness.

The well known local man pioneered the San Tomas Shopping Center in 1944 when he constructed and operated R.E. Hinson's Grocery, a general store.

A native of Paris, Arkansas, Hinson migrated to California during the 1930's and settled in the Campbell area in 1937.

In 1961 Hinson formed a partnership with his architect son and built several projects in the county, the most recent the 190-unit Villa de Taxco apartment at Payne and Winchester.

A life long member of Carpenters local 316, he was also a member of the Church of Christ, Campbell.

Husband of the late Florence Hinson, he is survived by nine children, Sadie Singleton of Washington, Roaten E. Hinson, Jr. of Los Gatos, Kathron Simmons of San Jose, Gwinn Waler of Soquel, Steve Hinson and Rick Hinson, of Campbell, and Linda Vanderwerf, Edward Galloway and Ken Galloway, all of Morgan Hill. He is survived by a sister, Virgie Hawn of Five Points, Ca. and a brother, Joe Hinson of Fresno. Also surviving are 17 grandchildren and two great grandchildren.

ROBBERY AT CLOTHING STORE

Two young men reportedly robbed The Pant Farm at 1840 S. Bascom ave. of $65 in cash Monday shortly before noon. They left a demand note behind.

The two, wearing watch caps, were last seen fleeing in a pick-up truck east on Ridgeley drive.

CARPETING REMOVED

The new carpeting in a home under construction on San Tomas Aquino road was reported stolen last week.

According to reports, the $400 carpet had just been installed in the living room when the theft occurred.

JEWELRY STOLEN

An apartment on Union avenue was reportedly broken into earlier this month at $5,675 in jewelry stolen.

According to reports, the stolen items include an emerald-diamond pendant valued at $2,000, two three quarter carat diamond rings and a gold bracelet.

MAID THWARTS SUICIDE

A 26-year-old San Jose woman may owe her life to the maid at California 6 Motel in Campbell.

According to reports, the maid entered one of the units to clean Monday morning and found what she thought was a dead body on the floor. Campbell police and paramedics responded to the scene and found the woman still alive. Two suicide notes and sleeping pills were found near the body.

The woman was taken to Good Samaritan Hospital where she was reported in fair condition but slightly improved Tuesday morning.

DUPLEX BURGLARIZED

When a couple returned to their home on Kuehnis drive last Saturday they found a vehicle backed up in their driveway. The driver and passenger made a quick departure when they spotted the residents.

According to reports, the two found $1,537 worth of Stereo equipment, a TV and a clock missing in the break-in.

Police are investigating several leads in the case.

Local Easter services set

An Ecumenical Good Friday Service will be held March 24 at noon at St. Lucy's Church, 2350 Winchester blvd.

The service is sponsored by the Campbell Area Ministerial Association representing nine local churches.

Other local Easter season services include:

Congregational Church of Campbell: "Good News From The Tomb," is the theme of the Easter message at the 400 W. Campbell ave. church. Services begin at 10 a.m. with the Rev. Anthony Wayne Myers speaking.

Immanuel United Presbyterian Church: Banners, flowers and music will be featured in the commemoration of the Resurrection at the 10:30 a.m. Easter Sunday services. Pastor Foster Shannon will speak on "The Cornerstone of Christian Belief." The church is located at 3675 Payne ave.

Zion Lutheran Church: A 6:30 a.m. sunrise service starts off the Sunday observance at the 3257 Payne ave. church. A pancake breakfast is planned at 7:15 a.m. with the festival services set for 8:30 and 11 a.m. Roland B. Wiederanders is pastor.

Westhope United Presbyterian Church: Easter sunrise services at 6 a.m. with worship services at 9 and 10:30 a.m. at the 12850 Saratoga ave. church. Pastor Richard E. Penaluna will speak.

It's 'foxy, flimsy, foolish' for Scorp

For Mar. 25 through Mar. 31

ARIES (March 21-April 19): Don't allow yourself to be put into compromising position by addlepated associate, Ari. Steer clear of cozy corners. And stay off the sauce. On last day double-check bank/check-library book. If you owe — pay. And please, no grumbling.

TAURUS (April 20-May 20): You, Taurus, cannot exist without love. Whether honest or counterfeit, love dominates your existence. In business you can be as hard as nails, but when it comes to your loved ones, you're a bit of a softie. Don't fall for blather this week. Be realistic.

GEMINI (May 21-June 20): Don't buck forces which surround you, Gem. Keep voice and profile low. As week slithers to a close you are reminded that love is a verb as well as a noun.

CANCER (June 21-July 22): The wind will be at your back, Moonbaby, so take advantage of every day. Keep secret promise made to self. Week packed with potential ends on note of C, for comfort,

LEO (July 23-Aug. 22): Keep needling and you stitch yourself into proverbial corner, Leo. Partner/mate has had enough. You were born to charm the entire universe, Leo my love, so why not start with your own little corner?

VIRGO (Aug. 23-Sept. 22): Career matters highlighted. Be assertive, Virgo, but not aggressive. Others get the message. Finally! Creative forces intensity as you fling yourself into action. Last day a lulu.

LIBRA (Sept. 23-Oct. 22): Remove earplugs, Lib, for loved one wants desperately to communicate. Messages/calls highlighted. Before week is kaput you are made privy to secret information. Don't blab.

SCORPIO (Oct. 23-Nov. 21): Don't rush pellmell into business/personal relationship without considering all angles. What seems genuine ain't necessarily so. Confusing week ends on key of F, for foxy, flimsy and foolish.

SAGITTARIUS (Nov. 22-Dec. 21): Stolen sweets and secret pleasures await, Saj, so enjoy, enjoy. Dame Fortune smiles on you. Smile back.

CAPRICORN (Dec. 22-Jan. 19): Emotions run rampant. Tiny spark could turn into wild conflagration, Cap, so keep asbestos britches handy. Week clangs to a noisy fini.

AQUARIUS (Jan. 20-Feb. 18): It is your nature to question, Aquari, so go ahead and ask. One who does not question does not learn. Concerning personal matter, truth may be difficult to swallow, but knowledge lies power to change present course of action to one more beneficial.

PISCES (Feb. 19-March 20): A tiny breath of spring headed your way, Pisces. And isn't it about time? Charmer tries to worm way into your heart and week ends on key of A, for angle.

Announcing GREAT new place to RAISE CANE also Land that's Not hard to BEET.

A growing country needs lots of growing things.
Like sugar for food. Cotton for clothing. Even trees for lumber.
And the South was a perfect place to raise just about anything. With acres of fertile land and warm sunshine.
Feeding the hungry industrial regions to the north, the South helped make a new and struggling country grow strong and prosperous.
Today, America keeps getting stronger every day. Thanks to over 9½ million Americans taking stock in their country by buying U.S. Savings Bonds.
They know that as they're working for their future, their Bonds are working hard for America's future, too.
So, buy U.S. Savings Bonds through your Payroll Savings Plan.
Whether you're raising vegetables or a family, they're a great way to save.

Series E Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

nutrition notes

The breakfast food with 44 ingredients

By DOROTHY TERRILL

Editor's Note: Dorothy Terrill, a registered dietitian and instructor at De Anza College, holds an M.S. in nutrition from UC Berkeley. Questions about nutrition are invited. Address all questions to: Dorothy Terrill, Nutrition Notes, Suburban Newspaper Publications Inc., P.O. Box 368, Cupertino, 95014. Mrs. Terrill will answer questions as space allows.

Ever wondered what it would be like to eat 44 ingredients all at one time? That's what you do when you try a "Breakfast Square." Chock full of five preservatives, calcium in three different chemicals, five other minerals, eight vitamins, four forms of sugar with "sugar" being the item listed first. Just two of these bars will furnish breakfast for you at a cost of 380 calories and about 29 cents.

While it only takes a few seconds to unwrap these frosted confections, it is only fair to say that you can have a breakfast of ½ c. orange juice, 1 soft-cooked egg, 1 slice of toast with 1 tsp. margarine, and 8 oz. nonfat milk and total only 320 calories! A few more minutes in preparation but you have a nourishing and satisfying meal.

Breakfast literally means "break the fast." When you rise after 6, 7, or 8 hours sleep, it means food has usually not been consumed for at least 10 or more hours. Since the average mixed diet is digested within four hours, this leaves the stomach empty and the blood with a low level of glucose and the need to refuel before taking off for the day. No one goes out to the garage and expects the car to start when the tank is empty but that is what breakfast skippers do when they start the day with no nourishment in their bodies.

Studies are constantly being reported about the lowered learning abilities of children who are sent to school without breakfast. Some of the symptoms exhibited by these children are low attention span, restlessness, and inability to concentrate. These symptoms are not the exclusive property of children.

Adults who start the day without breakfast act in much the same way. They feel "tired," yawn, don't concentrate on their work, and produce less. Those who skip breakfast probably recognize it themselves — can't wait for the first coffee break at which time they delve into their lunch, if they brought one, or head for the nearest vending machine or snack bar. There are more nutritious and less expensive foods that could be prepared and eaten at home to start the day right.

The breakfast bars available commercially are not the answer to a nutritious breakfast. There are other foods which are equally quick, cost less, contain less sugar and chemicals, and provide about the same number of calories. A cheese or peanut butter sandwich can even be eaten in the car if time is really short. English muffins can be toasted with cheese or any other protein food for a complete meal along with orange juice.

Scrambled eggs can be turned into quick omelettes with added meats, cheese, beans, or vegetables. Tortilla can be rolled up with cheese, meat, or beans inside. Dry or cooked cereals are quick and with milk and juice provide a good breakfast. The sugared cereals are not recommended — all that sugar merely adds calories and causes tooth decay.

Try to include a protein food since protein digests more slowly and will stay with you until noon. People who grab a doughnut or roll and coffee are hungry within two hours. The highly sugared pre-sweetened cereals are primarily carbohydrate and digest very quickly also.

Protein foods can be cheese of any kind, milk, eggs, meats, or fish. Any food can be consumed for breakfast. You do not have to stay with the traditional breakfast foods. If you like left-over spaghetti, eat it.

Some people say that they can't eat when they first get up because it makes them sick. If they have not been in the habit of eating anything in the morning for a long time, they may have to gradually adjust to eating. Start with small amounts. Try getting up just a little earlier so that you don't have to eat immediately.

Whatever you do, eat something. Resort to the prepared candy-like concoctions labeled "breakfast bars" as a last resort. Include protein foods to keep you satisfied until lunch and get up just a little earlier so there's time to eat.

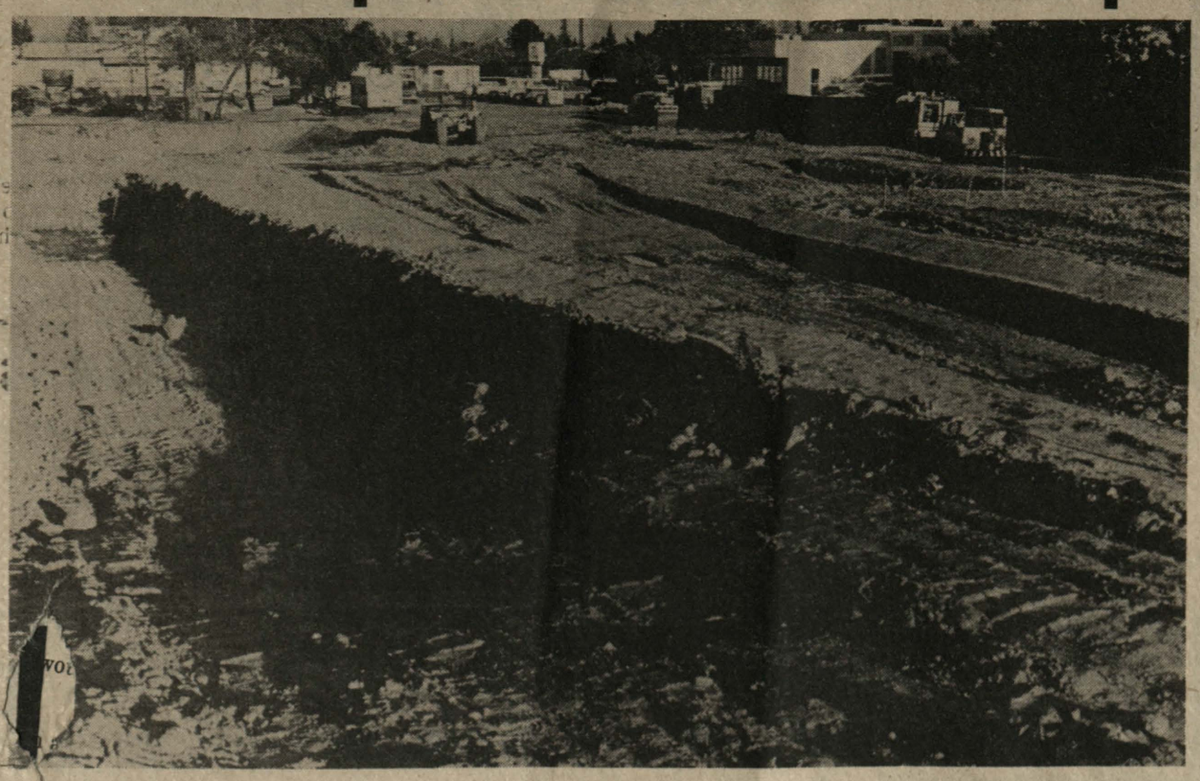
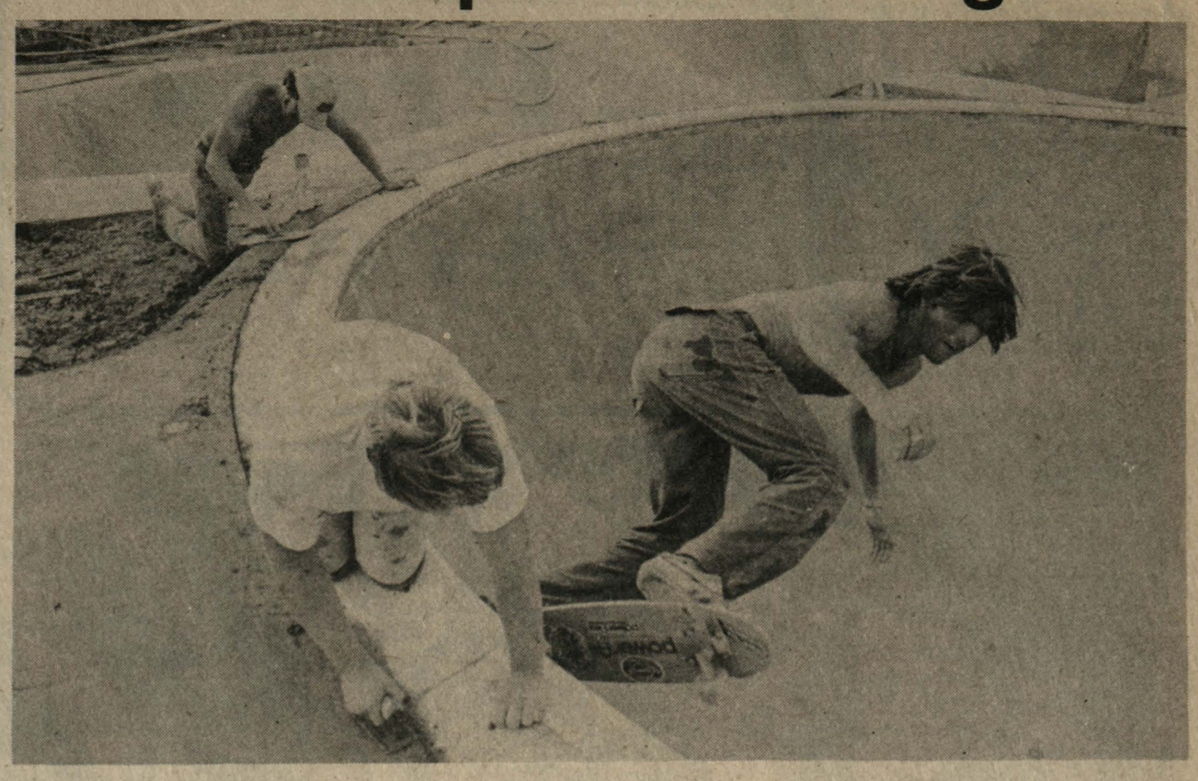
Campbell skateboard parks: One open-one to go



WORK ON Campbell Skateboard Park, 2155 S. Bascom ave., got underway in mid-February, according to co-owner Mike Phelan and this week Concrete Curl, Inc. expects to have the grading half done and be laying steel for the concrete runs. Phelan says the pro shop will be open in mid-April with the park opening set for mid-May.



OPEN FOR business last Saturday was Winchester Skateboard Park, one of two sidewalk surfing havens that will operate in the City of Campbell. The picture taken last week shows workman Jerry McGhie getting in some skateboarding time while other workmen put the finishing touches on the 2885 Winchester blvd. park.

News briefs

THE CHAMBER'S MOVING

Campbell Chamber of Commerce will be moving their offices from The Factory to downtown Campbell with the official opening date this Monday, March 27.

New headquarters will be at 328 E. Campbell ave., west of Central avenue.

SPELL-A-THON REPORT

The Hazelwood Home and School Club raised more than $1,800 with the recent Spell-a-Thon held at the 775 Waldo road school.

Parents, friends and neighbors pledged funds for each word spelled correctly by Hazelwood students in the February fund-raiser.

In addition to raising funds for school projects the spell-a-thon also honored more than 75 students who scored 100 percent on the test.

OPENING ON SENIOR BOARD

Applications will be accepted until Saturday, April 1 for the vacancy on the Executive Board of Directors of the Campbell Progressive Seniors.

The Board is responsible for conducting the business of the local non-profit organization which serves low-income seniors in the Campbell area.

Those applying must live within the city limits.

For more information call the Campbell City Manager's Office at 378-8141 weekdays.

CITY'S SHARE OF TAXES

The State Controller's office estimates Campbell will receive almost $700,000 during the 1978-79 fiscal year as its share of highway users taxes and vehicle license fees.

According to the report, Campbell should receive $391,197 in license fees and $299,353 in highway users taxes.

FLAG-DRUM MAJOR COMPETITION

Prospect High School will be the site of a Drum Major and Tall Flag Competition on Sunday, April 16.

The competition, run by University Clinics, will feature youngsters from the northern California area. A clinic will be held at the local high school on Saturday, April 9.

The public is invited to the competition and admission is free.

SUMMER CAMP SIGN-UPS HELD

Southwest YMCA will hold a sign-up rally for their summer camp program on Saturday, April 1 at their 16500 W. Mozart ave., Los Gatos center.

Y-Day Camp will be held this summer for youngsters entering grades 1 through 4 with resident camps for older boys and girls, including Southwest Y Travel Camps to Lake Tahoe, Rogue River and Disneyland.

For more information about the program call 356-7126.

SEMINAR ON RAPE

Protecting yourself against rape will be one of the issues discussed at a seminar on rape set for Thursday, March 30 at 7:30 p.m. in the health department auditorium, 2220 Moorpark ave., San Jose.

Officer John Townsend of the San Jose Police Department will present a slide presentation on "Patterns for Protection" and will talk about what to do if a rape situation arises.

Pat Salazar of the Valley Rape Crisis Center will speak on where to go for help if attacked and the emotional aspects of rape

VOLUNTEERS NEEDED

The Westgate Convalescent Center put out a desperate call for volunteers for their auxiliary last week.

No special skills are required, says Lis Eng, activities director, just an outgoing personality.

Volunteer duties might include helping wi... ongoing programs, parties, trips, etc.

Call Ms. Eng at 253-7502, ext. 43.

NEW SENIOR CLUB PLANNED

The San Tomas Neighborhood Center is planning a new senior adult club for those 50 years and older.

Club activities could include excursions, pot-luck lunches, special speakers, etc.

An organizational meeting will be held on Friday, April 14, at 10 a.m. at the 4093 Valerie drive center.

For more information call the center weekdays at 379-9370.

BARITONE PERFORMS MARCH 29

Duncan Campbell, baritone soloist, will present a recital on Wednesday, March 29, in the Saratoga campus theater of West Valley College. The program begins at 8 p.m.

Making her West Coast debut that night will be accompanist Gait Sirguey, a Moroccan-born pianist trained at the Paris Conservatory.

Campbell, who completed his master of music degree in voice at the New England Conservatory of Music in Boston last year, will present a vocal recital with works by Brahms, Faure, Dubussy, Stravinsky, Villa-Lobos and Ives.

There is no charge for the program but tickets are required through the office of community services, 44 E. Latimer ave., 379-9415.

CAMP SIGN-UPS TAKEN

Sign-ups are now underway for a special camp session for developmentally disabled youngsters May 27-31 at Camp Costanoan, the Crippled Children's Society camp in Stevens Creek Park.

For sign-up information call Rita Hoff at 243-7861.

SENIOR BOWLING LEAGUE

Senior citizen bowling leagues are now being formed by the San Jose Parks and Recreation Department.

Special senior lanes are available at many bowling alleys in the city.

Early afternoon sessions are slated to begin in April.

Call Terry Hill at 277-4101 weekdays for more information.

FREE SICKLE CELL TESTS

Anyone wishing to be tested for the sickle cell trait can visit the central health department clinic weekdays at 645 S. Bascom ave. or call their nearest health office.

Sickle cell anemia, a genetic disorder of the blood found most often among Blacks, is also found among persons of Middle East, Southern India and Mediterranean origin.

The testing program is part of a state-funded project aimed at identifying carriers and administered by the county health department.

In addition to testing and counseling, education on sicle cell is available to the community and schools.

SCHOOL WARS

Legal action against district eyed

EDITOR:

It seems it's time for the community to convince the Campbell Union School District board and administration that the community is serious about really being heard and involved.

It seems it's time for that community to convince the board and administration that merely being invited to react to a single proposal is not involvement.

It seems it's time for that community to let the board and administration know the community will not be convinced the administration's one proposal (school closure) is the answer. Especially when that administration has not sought out or done extensive studies on possible alternatives to solving the declining enrollment problem in this district.

Accordingly, those community members who are fatigued with pretense involvement in this issue and desire to join together to pursue this legally may call the following persons for information: Judy Topolski, 374-4712 and Mayris Burke, 378-0918.

JoAnn Fairbanks

Playing with our children's lives

EDITOR:

Personally, I agree with the citizens who say, "We've had enough'." In fact, I would vote for the Jarvis-Gann Initiative if I could be satisfied with the answer to the question: "What happens then?"

Proponents of Jarvis contend that the State of California will bail us out but legislators have been quoted as saying, "Don't count on it."

As I see it, voting for the initiative is like chancing everything on the turn of the wheel. But, instead of using chips or money was are playing with the lives of our children.

I have faith in the community and its voters. I would only ask that each voter study the facts.

For me Proposition 8 and the Behr Bill is certain and equitable relief for all of us. The Jarvis-Gann Initiative is too iffy.

Mac Martinez, Campell Union High school District Trustee

Interested in checkers matches?

EDITOR:

Anybody for checkers?

With all of the new games, the old-fashioned game of checkers is almost forgotten. Is there, or has there been a checkers club, or any group in the area that occassionally plays checkers?

I would like to hear from anybody who has played in checkers tournaments and anyone interested in a checkers get-together.

If you will send your name, address and phone number to L.J. Fox, Box 5211, San Jose, 95150 or call 377-5796 evenings I will contact you to set up an informal checkers meeting.

Larry Fox

Will you still be angry in March?

EDITOR:

In my opinion the only responsible vote on school closure was cast by Campbell trustee Virginia Vaughn. She voted against.

The administration's proposal was not adequately supported by the facts presented. Even the information given to the board two days before action was taken was deficient. The questions, suggestions and the facts presented by the public were never really answered. The budget figures promised at the three public forums were never presented to the public.

Dr. Hauss testified that there is not a financial crisis that would overtake the district if action were postponed for an additional year. The public consistently pleaded with an... administration and the board to appoint an advisory committee to look into all aspects of declining enrollment.

If action indeed was urgently needed then the board should have required meaningful public consideration beginning last summer when plans were first being sent to Stanford for analysis.

I fully agree with Del Tucci's support of teachers, and the need for adequate compensation for them. Yet the teacher organization and other informed members of the teaching community feel that monies are already available to the district to achieve a fair settlement.

It saddens me greatly that members of the community find it necessary to bring suit against the district to prevent school closure. The time, money and energy that will be spent on both sides could be better used for the education of our children. The blame for these needless expenses lies squarely with the board majority, not with those who have reluctantly chosen this route.

There is much that needs to be done. I will not personally join the legal action, but I wish to state my full support for those who feel compelled to do so. I hope that every member of the community will take some action to improve the situation in the Campbell school district.

There have been many angry people at these meetings on school closure. How long will you stay mad? Will you attend the board meeting on March 30th? And after March 30? Will you still be angry when elections are held in 1979? And are any of you mad enough to begin now to campaign for election in March of 1979?

If the board that we have will not take a stronger role with the administration, we should elect one that will.

Kathy Mattingly

strips. The bids came in way over budget so it was decided that a private contractor would do the landscaping preparation and the city would do the planting. Originally, that project was to have included the area from Winchester boulevard to the westerly city limits. Now the project extends east to Highway 17. In November of 1977 the city hired Collishaw Corporation to do the island landscape preparation. They got started on the work, and had put in over 3,000 cubic feet of redwood shavings when the rains began. The intent was to mix the shavings with the soil to make a good planting medium. Much to our bad luck, Valkenaar says, it rained before the contractor could mix it. Now that redwood is serving as an insulator so the soil underneath remains wet and unworkable. It will take about three weeks of sunny weather before those islands dry enough to be worked, he added. The city is now purchasing the planting materials and will be ready to plant as soon as the soil is ready. Plantings will include bottle brush and ice plant, east of Winchester, as recommended by the Campbell Garden Club.

Confidential questioning

Teenagers with questions about sexual relationships, birth control or pregnancy and those just wanting to talk confidentially about sex problems may visit two new free teen clinics in Sunnyvale or San Martin.

The appointment-only clinics, the second and fourth Thursdays from 3 to 7 p.m. at Sunnyvale's Fairoaks Health Center or 4:30 to 8:30 p.m. on first and Third Mondays in San Martin, feature counseling and educational sessions.

Nutrition, pregnancy, birth control, sexuality and relationships will be explored as well as free contraceptive medical services. Males are encouraged to attend the educational sessions but medical services are limited to females.

Foundation aids claims project

The Santa Clara County Bar Association's Law Foundation has received $28,700 from the William and Flora Hewlett Foundation to continue work of the Neighborhood Small Claims project in East San Jose.

The cooperative project of the bar and Municipal Judge Robert Beresford encourages mediation of neighborhood disputes before they end up in small claims court. Eastside residents now can file small claims action at the Hillview Community Center and association-recruited law school students serve as court clerks.

Finally: a non-candidate

Santa Clara County Supervisor Dan McCorquodale will not run for the 25th Assembly District seat currently held by Alister McAlister. McCorquodale had planned to run based on McAlister's publicly-stated intention of trying for attorney general. McAlister changed his mind and so did the supervisor.

More confusion over hospital

Many things remain undecided as county supervisors wrestle with the issue of private consulting or management of Valley Medical Center. Whenever VMC management subjects come up, an argument and divided vote can be expected to follow.

The county is negotiating with Hospital Affiliates International of Tennessee to act as a consultant but the latest wrinkle appears to be having the county hire top management personnel for the hospital rather than have the management firm provide them. McCorquodale and Chairman Rod Diridon continue their opposition to private VMC management.

Another push for freeway

The U.S. Department of Transportation has been asked to speed things up on a new Highway 101 bypass south of San Jose. DOT Secretary Brock Adams has been asked by congressman Don Edwards and Norman Mineta, county supervisors' chairman Rod Diridon and San Jose Mayor Janet Gray Hayes to accelerate the federal review process on the Blood Alley bypass.

In a joint letter to Adams, the local and federal officials have sought a timetable of the project approval process, speeding-up of review so the state can seek bids and use its available funds.

Planning to eliminate the hazardous old road began 25 years ago, officials say.

Chief officer is resigning

Gail Willis had a "bone to pick" with the board of directors of the Santa Clara Valley Humane Society and ultimately "bit the hand that fed him." Willis has resigned as the society's chief administrative officer after 16 months on the job, saying he tired of the hassle with society board members and did not want to work with them. Willis previously worked for San Francisco and Detroit animal shelter (pound) operations.

All 11 of the directors on the board since Willis went to work here have since resigned.

New county animal ordinance

Speaking of animals, county supervisors are in the process of adopting a new animal control ordinance. The new law says dwellers in unincorporated areas only can have a maximum of two dogs or two cats with only one dog or cat an unspayed female. The present limit is three animals and those who can prove they had three before the ordinance is finalized may keep them.

County officials hope changing leash law violations from misdemeanors to infractions which will be heard by commissioners, will result in more control of violators. The ordinance's final form will be dictated in late March after protests were received from cat fanciers and horsemen.

Building is big business

A billion dollars is a lot of money but Santa Clara Valley contractors and developers just about reached that magical mark in last year's building valuations. Figures show the county and its 15 cities recorded $899,071,000 in 1977 construction, of which $524,722,000 was in new single and multiple-family homes and the balance in commercial-industrial projects.

The obvious county leader is San Jose with over $329 million, followed by the county with $82 million, Santa Clara and Sunnyvale with $79 and $74 million respectively and Cupertino with $58.8 million.

Swelling the building total were serveral large industrial parks.

beautiful music is in the air

. . . just about everywhere in the Santa Clara valley, you can enjoy music of every type. The when, where, who and how much it costs is spelled out in detail in the Marquee calendar section.

Also read George Mangrum and Kathy Staska on the rock scene and Scott Saunders on the classics.

Club Notes

WOMENS' AUXILIARY

A general meeting of the Campbell-Moreland Pony League Womens' Auxiliary is planned for Monday, April 3 in the club house at John D. Morgan Park.

The 8 p.m. meeting will include discussion of an amendment to the by-laws.

For information about the group call Judy Paquin at 248-4731.

CLIPPED WINGS

The Year of the Horse (Chinese New Years) will be celebrated by members of the San Jose chapter of Clipped Wings at the Bay Meadows Race Track in San Mateo on Saturday, April 1 at 7 p.m.

The group is made up of former United Airlines stewardess'.

The fund raiser will include transportation, refreshments and drinks enroute and a buffet supper at the track. Cost is $36 per couple and proceeds will go to the Zonta Children's Center.

For ticket information call 266-9007.

CAMPBELL HIGH BOOSTERS CLUB

Parents of boys and girls in the athletic program at Campbell High School are invited to the next meeting of the Boosters Club on Wednesday, April 5 at 7:30 p.m. in the school cafeteria.

Among fund-raising events planned by the group is a "Dinner at Sambo's" on Wednesday, April 12 from 5 to 10 p.m.

The club will receive 10 percent of the bill if those dining out at the 1461 W. Campbell ave. restaurant write "Campbell High Boosters Club" on the back of the dinner check between those hours.

CHRISTIAN BUSINESS WOMEN

Mike Osborn will speak on "Blender Cooking with Health Foods" at the Monday, April 10 meeting of the San Jose Christian Business and Professional Women's Council.

The group meets at 7 p.m. at the Holiday Inn in San Jose.

Also speaking that night will be attorney Kathleen Kane.

For reservations call 268-3456 or 354-0705.

CAMPBELL SENIOR SOCIAL CLUB

A fund-raising luncheon will be held by the Campbell Senior Social Club on Thursday, March 30.

The luncheon begins at noon at the Mercury Savings and Loan Association building in Cupertino.

Donations are $1.50 per person.

BLOSSOM VALLEY GARDEN CLUB

A tour of the Steindorf Gardens was held at the last meeting of the Blossom Valley Garden Club on Wednesday, March 22.

RETIRED FEDERAL EMPLOYEES

Frank Waltzen will speak on federal employee compensation at the Friday, April 7 meeting of the National Association of Retired Federal Employees, chapter 50.

The group meets at 11 a.m. at the Royal Fork Restaurant, 1730 W. Campbell ave.

THE SIDEWALKS were filled to overflowing along Campbell avenue, near the Pruneyard recently as close to 11,500 participants treked the 30-kilometer route in the March of Dimes Walkathon. When walkers have collected their pledges more than $200,000 will have been raised. The walkathon began at Town and Country Village and ended at the county fairgrounds.

Student views

Smog makes a 'pretty sunset' and that's all

The following essays were written by sixth grade students at San Tomas School. The subject was causes and effects of pollution and these three students all earned an "A."

Pollution is caused by many different things.

People and factories are the main causes of pollution. People pollute the air, the water, and many other things without knowing it.

When people go fishing, they bring a picnic lunch. When they finish eating, they throw the wrappers and cans into the lake.

When people litter, they don't really think about that they are destroying for the wildlife and other people. They kill the fish and other animals that drink the water.

Factories are really a problem. They pollute the air terribly. Everyday factories pollute the air with smoke and chemicals.

Cars don't help much with pollution either. Some people have a Cadillac and only have one person in it. The less cars we use the better it would be. If people would have more carpools the air would be much cleaner.

People could help fight pollution if they really cared to keep the earth clean.

The end.

Pascale Greene

Pollution is very common everywhere. Wherever you are going, you are likely to smell and see pollution. Pollution is caused by cars, factories and garbage dumps.

People are number one at starting pollution because of the way everybody throws litter on the ground.

The planet Earth will someday be a very ugly planet if pollution is not to be prevented.

There are many ways of stopping pollution: by riding bicycles, putting litter in the trash can, and not throwing litter on the ground.

Many lakes, streams and rivers are polluted by people. Lake Erie was once so ugly from pollution that all of the fish died, and filthy foam covered the top. Thanks to men's efforts, Lake Erie now looks much better and there are fish and swimming once more.

Pollution can destroy this Earth if it is not prevented.

The end.

Tony Farrington

Smog is a mixture of smoke and fog that hangs over the air. When there is a lot of smog, we have smog alerts which is when people who have allergies have to stay inside or not run and get tired.

One nice thing about smog is you get a pretty, pink sunset. But it really isn't worth it to have the smog all around us.

One thing that causes smog is the car. The exhaust fumes are the factor in smog but some other things help.

We can cut down on exhaust fumes by getting smog devices on old cars. New cars already come with the device so new car owners don't have to worry.

The **HWEI FU SHING RESTAURANT** is open 7 days for lunch & dinner & they serve a marvelous Buffet lunch Mon. - Sat. for only $2.25. If you'd enjoy something different for your Easter Sun. breakfast, stop by **HWEI FU SHING** from 11-2 p.m. & enjoy such as Soybean milk, Chinese Bread, Sesame Cake, Steamed Dumplings, Pot Stickers, Steamed Chiao Pzo, etc. All these come highly recommended from a friend of mine who is a steady customer.

Everybody's friend — Roger Shilling, Mgr. of the spectacular **CLEMENTINE'S RESTAURANT** at Stfd. Shopping Ctr., has selected his Easter Brunch menu (serving from 10 a.m.-2:30 p.m.). You may select Chicken Crepes $4.25; Crepe Bengal (crab, shrimp & cod fish w/curry sauce) $4.50; Cheese Blintz $3.95; Eggs Benedict $4.25; Spinach & Bacon Omelet $4.25; Quiche Lorraine, $4.25; Steak & Eggs $5.25; Eggs & Sausage, Bacon or Ham $3.95. This incls. fr. fruit cup & COMPLIMENTARY CHAMPAGNE. So "hop on down" to **CLEMENTINE'S** with your spec. Bunny for a perfect Easter?

A steak is a steak is a steak except what you have when you have the Teriyaki Sirloin Steak at **SIRLOIN & BREW UNLIMITED.** The tender cut of beef is actually marinated for 24 hrs. in a spec. sauce rather then just cooked with it. It has a delightfully different flavor that brings people back again & again. At just $6.95, w/unlimited gourmet salad bar plus your fill of wine, beer or sangria, it's one of my "best restaurant buys." Try the new location on Hwy. 17 at Hegenberger Rd., Oakland.

Tony Van Laarhoven retires

TONY VAN LAARHOVEN

Retired on disability recently by the Campbell Union School District was Tony Van Laarhoven who has served for more than 20 years as principal in the district.

Van Laarhoven joined the district as principal of Rosemary School in 1955 and later served as the school administrator of Cypress and Hazelwood until his latest assignment as principal at Moorpark.

He has been on leave due to ill health since May of 1977.

Tony and his wife, Virginia, now live in Smartville, California.

Dons rally past Gunn

Del Mar topples M-A for tournament tie

MENLO-ATHERTON was just one win shy of putting a virtual lock on the championship of its annual tournament last Saturday. A victory over the visiting Del Mar Dons would have clinched at least a tie for the tournament crown with just two games left to play.

But the Dons made sure M-A didn't close in on the tourney title by nudging their hosts 3-2, thereby moving into a tie for first place.

Both the Dons and Menlo-Atherton will take 3-1 records into the tournament's final day of play Saturday, April 8. Del Mar will wind up the tourney against Samuel Ayer and Gunn, two teams the Dons have already beaten.

"There's always a little bit of luck and a little bit of skill involved in winning," Del Mar head coach Gary Cunningham remarked, after his club had defeated Gunn and M-A last Saturday. "But the kids played well."

The Dons had opened the day by [illegible]ting Gunn 7-6 in comeback fashion.

DOWN 6-3 in the top of the sixth, Del Mar erupted for four runs to pull out the win.

Dan McKay opened the sixth with a single but was forced at second by Jim Dorr, who was replaced by pinch-runner Scott Levander.

Levander moved to third on a double by Fred Gradel and then both runners scored on Jeff Blobaum's base hit. Blobaum took second on the throw to the plate.

A two base throwing error by Gunn's second baseman on a grounder by Craig Bates plate Blobaum. Bates then rode home on Tom Bell's clutch two out single to rightfield.

Blobaum picked up the win with two spotless innings of relief. Bell had started the game, allowing five runs (two earned), and six hits in four innings. John Benevento tossed one inning of relief, allowing one run.

Del Mar had gotten on the scoreboard in the third inning when blobaum ripped a triple and then trotted home on Bates' home run.

In the fifth, Craig Richesin tripled and scored on a wild pitch.

Dorr and Blobaum both had two hits in the win to pace Del Mar's nine-hit attack.

THE DONS came back later in the day to topple M-A 3-2, handing Menlo-Atherton its first loss in seven outings.

The Del Mar was forced to rally to beat M-A also, scoring three times in the bottom of the seventh.

Dorr started things with a one out walk and left for pinch-runner Levander. Blobaum then walked and was lifted for pinch-runner Mark Milioto. A walk to Bates loaded the bases.

Richesin then beat out an infield single to shortstop scoring Levander. Milioto scored on the same play when the throw from the M-A shortstop was wild.

Sean Venezia then capped the rally with a two out single to right, scoring Bates with the winning run. It was Venezia's first varsity hit.

"He had been hitting the ball real hard but was hitting it tough luck," noted Cunningham.

Venezia's first varsity hit presented reliever Larry Ragusa with his first varsity victory.

Ragusa, who inherited a two on, no outs situation in the fifth inning, pitched three no-hit innings.

Ragusa pitched three no-hit innings to earn the win. He had relieved starter Blobaum in the fifth with two on and none out and retired the side on two strike outs and a grounder.

DEL MAR HAD managed only two hits, a first inning single by Richesin and a second inning double by McKay, heading into the last inning.

The Dons had opened the M-A tourney with a 7-4 loss to Menlo-Atherton earlier in the season.

"We played a very sloppy first game against M-A," said Cunningham. "But since then we have played very well."

Bell was three for four in the loss to M-A while Kevin Cesar and Gradel both lashed doubles. Bates scored a pair of runs.

Last Tuesday, Del Mar humbled Samuel Ayer 10-1 in a tournament game at Ayer.

The Dons decided the contest early with five runs in the first inning. Three hit batsmen and run scoring singles by Bob Cirivilleri and Jim Dorr keyed the inning.

Bell notched the win, allowing just four hits and one unearned run in six innings of work. He fanned four.

Gradel and Dorr both had two hits in the win. Dorr, who had a double among his two hits, drove in three runs.

In their only non-tournament game to date, the Dons nudged Menlo school 3-1 behind the combined pitching of Blobaum, Benevento and Ragusa.

McKay was two for three with a double in the victory while Richesin had a single, two runs scored and two stolen bases.

Bowman earns all-tourney honors at CCS play-offs

JACQUE Bowman, who led the Camden Cougar girl's basketball team to one of the best seasons in its history, was tabbed to the seven woman all-tournament team recently at the Central Coast Section play-offs.

Bowman was joined on the all-tourney squad by Notre Dame's Teri Huff (Most Valuable Player), Dianne Piazza and Mary Anne Little; Los Gatos' Jennie McKnight and Pam Reinoehl; and Aptos' Mary McNulty.

The Cougars finished third at CCS after falling to West Valley Athletic League rival Los Gatos in the semi-finals.

The Wildcats, who had lost to Camden twice during the regular season, rallied in the second half to deal the Cougars a tough 38-30 setback.

Diane Galloway topped the Cougars with nine points while center Linda Wright canned eight. Bowman chipped in with five points and both Patrice Townsend and Wendy Townsend each netted four.

In the battle for third place, Camden withstood a frantic fourth quarter rally by Aptos to post a 43-42 victory.

Wright was the big gun in Camden's attack against Aptos, pumping in a game high 13 points.

P. Townsend tossed in nine points and both W. Townsend and Bowman each contributed eight. Galloway added five.

Lansford grand slam sinks Buccaneers

JUST WHEN it looked as though the Campbell Buccaneers had rallied to notch their first win of 1978, along came Jody Lansford.

After trailing 3-0 through three innings, the defending West Valley Athletic League champions erupted for six runs in the next two innings and took a 6-3 advantage into the bottom of the sixth.

But the Warriors loaded the bases in their half of the sixth and then Jody Lansford promptly unloaded them with a grandslam homer, lifting Wilcox to an exciting 7-6 victory.

Earlier in the game Jody's brother, Phil Lansford, drilled a three run homer.

"The Lansford brothers did it to us," said Campbell head coach Gordon Huntze, after watching his club lose its third pre-season game in a row. "Jody's homer would have been out of any park. He hit it a ton."

Until Wilcox made its comeback in the bottom of the sixth, Campbell had looked like a winner for the first time in '78.

The Bucs had erased the Warriors' three run lead in the top of the fourth with a four run outburst.

MARK ORTIZ opened the Campbell fourth with a walk and Mike Updegraff followed with a base hit. A sacrifice by Brian Raust moved the runners up a base and Scott Pence drew a walk, loading the bases.

Dan Trinidad came to the plate as a pinch-hitter and promptly lashed a two run single.

Consecutive infield errors allowed two more runs to score.

In the fifth after two were down, Ortiz drilled a single and Updegraff unloaded a home run.

Ortiz hurled the first five innings and did a commendable job, allowing only the three runs on Phil Lansford's home run.

Dave Favre came on in relief in the sixth but failed to retire a batter, leaving the mound with the bases loaded.

Dave Erkman relieved Favre and promptly served up Jody Lansford's home run pitch before retiring the side.

Earlier in the week the Bucs dropped a scrimmage game to the Buchser Bruins 3-2. Mark Sullivan, Erkman and Favre tossed three innings apiece in the scrimmage.

Don Hart led an anemic hitting attack with a triple, which drove in both Campbell runs. Trinidad, Sullivan and Pence all had one hit each.

"OUR PITCHING, to date, has been very respectable," said Huntze, who pointed to Campbell's fine team earned run average of 2.27 as proof. "We just have to get a little more offense going and be a little more consistent on defense.

The Bucs, who take part in the rugged Soquel tournament, open WVAL play Monday, March 27 at home against the Prospect Panthers in a 3 p.m. test.

Tuesday, March 28, Campbell travels to Del Mar and Thursday, March 30, the Bucs visit rival Los Gatos. Both games are also 3 p.m. starts.

Sullivan, Ortiz and Trinidad are expected to draw starting assignments on the mound in the Bucs' first three league games.

Mulligan nears 17' mark in pole vault for WVC

BEFORE LAST SEASON, West Valley College track coach Bill Campbell only dreamed of having a 17' pole vaulter on his Viking track team.

And then it happened. On Saturday, March 19, last year Steve Oravetz (Campbell) flew over the pole vault bar at 17'1" to set a new national junior college record for the Vikings.

The record was later broken by Charlie Brown of El Camino College and Oravetz could never get it back. But, still, West Valley College had its first and only 17' pole vaulter!

Well, it might not be long before the Vikings find their second 17' vaulter — because Jerry Mulligan came darn close last Friday for West Valley.

Almost a year to the day after Oravetz set his school and national record, Mulligan came within just four inches of equalling that performance when he crossed the bar at 16'9" for the Vikings in a double dual meet with Chabot and the City College of San Francisco.

Mulligan's vault was the highlight of the day for the Vikings, who finished two points behind Chabot at 88½-86½ but crushed San Francisco 86½-5.

Mulligan was one of five individual winners in the meet for West Valley. And three of the Vikings winners led sweeps in their events.

TODD BAKER (Westmont) won the mile at 4:17.7 to lead a Vike sweep. Vance Eberly (Los Gatos) was second at 4:26.7 with Matt Rohe (Saratoga) third at 4:26.9.

Keith Sturdivant (Leigh) was tops in the 110 high hurdles at 14.7 with Rick Howell (Del Mar) second at 14.8 and Tim Stafford (Los Gatos) third at 15.08 and Ed Tico (Camden) was number one in the 5,000 meters at 16:06 with Baker second at 16:06, Doug Avrit third at 16:06.1 and Eberly fourth at 16:06.1.

Mulligan soared 16'9" to win the pole vault with ease. Rick Vasquez (Camden) was second at 14'6" with Tom Shuler (Los Gatos) fourth at 14'6".

Rob Fisher (Blackford) soared to a first place finish in the long jump at 22'½" [illegible] Wayne Gray (Campbell) fourth at [illegible], Fisher, Rick Hoffman (Westmont) and Gene Antone combined for a win in the 440 relay for West Valley clocked at 42.5.

Gray came back with a second in the 400 meters at 50.0 with Antone third at 50.7 and Fisher was second in the 100 meters at 10.6, third in the triple jump at 44'7" and third in the 200 meters at 22.4. Hoffman was second in the 200 at 22.3 and fourth in the 100 at 10.7.

Howell as third in the 400 intermediate hurdles at 55.0 with Sturdivant fourth at 55.6 and Tony Abate (Lincoln) was third in the javelin at 169'3".

Don Woolley was second in the shot put at 41'9" and fourth in the discus at 143'4". Ken Ferris (Wilcox) was third in the shot at 41'9" and Dan Sheehan (Prospect) was third in the discus at 146'8".

MILE WINNER — Westmont graduate Todd Baker won the mile in 4:17.7 recently for West Valley College to lead a Viking sweep in the event in a recent split with Chabot and San Francisco. Chabot nudged WVC 88½-86½ but the Vikes trounced CCSF 86½-5.

Hayslip off to good start for Spartans

RUSS HAYSLIP, a product of Campbell high school and West Valley College, is off to a good start as a pitcher for the San Jose State University baseball team.

Hayslip boasts a 3-0 record for the Spartans as a junior and has fired a pair of complete games. He has recorded a 4.02 earned run average and has struck out six for San Jose.

Another former West Valley Athletic League hurler Randy Raphael, is also pitching for San Jose. The Leigh high grad is 3-2 for the Spartans with a 3.17 earned run average. He has completed five games and has tossed one shutout. Raphael has fanned 21.

Volleyball meeting

AN organizational meeting for the 1978 Campbell adult coed Volleyball league will be held on Tuesday, April 4, at 7 p.m. at the Campbell city offices, 75 N. Central ave.

Team managers and players are welcome to attend the meeting. The league entry fee, the length of the season and the number of coed teams in the league will be discussed at the meeting.

League play will begin on Monday, April 10 in the Westmont high school gym.

For further information call Mark McCarroll at 378-8141.

Ex-Vike a 49er

FORMER West Valley College track and cross country star Rich McCandless, a graduate of Westmont high school, is a member of the 1978 track team at Cal State University Long Beach.

McCandless, who redshirted at Long Beach last spring, finished second in the Pacific Coast Athletic Association in both the 10,000 and 5,000 meters for the 49ers as a junior in 1976. He boasts a best of 14:29 in the 5,000.

McCandless was an all-Northern California and all-state performer at Saratoga high school.

Holloway leads Vike women to victory

SIX VIKINGS came up winners, two of them in a pair of events, to lead the West Valley College women's track team to a 62-46 Golden Gate Conference victory over Chabot last Friday afternoon on the WVC oval.

Denise Holloway (Blackford) and Anne Wotherspoon (Los Altos) each picked up a pair of individual victories to lead the Vikings to the team win.

Holloway won the shot put with a 38'9" toss and was tops in the discus at 127'10". Wotherspoon won the mile at 5:05 and the 800 meters at 2:21.

Rebecca McLein (Los Gatos) won the javelin with a 107'1" throw and Ronell Powell was first in the high jump at 4'2". Nancy O'Connell (Campbell) romped to a win in the 100 meter hurdles and Kathy Perkins (Leigh) was a winner in the 3,000 meters at 11:23.

Once upon a time ...

MARCH 20-26

MARCH 20, 1973 — Pittsburgh Pirate great Roberto Clemente was elected to baseball's Hall of Fame just 11 weeks after his untimely death, becoming only the second player to be tabbed to the Hall of Fame without the customary five year waiting period. Lou Gehrig of the New York Yankees was the first.

MARCH 21, 1946 — The Los Angeles Rams signed Kenny Washington, who became the first black player in the National Football League since 1933.

MARCH 22, 1969 — UCLA became the first collegiate team to ever win three straight NCAA basketball championships by beating Purdue 92-72. Lew Alcindor became the first player to ever win the tournament's Most Valuable Player award three years in a row.

Three years later to the day, Alcindor, who had changed his name to Kareem Abdul-Jabbar, collected his second National Basketball Association MVP award after leading the NBA in scoring for the second straight season.

MARCH 23, 1963 — John Pennel set a new world record in the pole vault with an effort of 16'3" in an outdoor meet in Memphis, Tennessee.

MARCH 24, 1973 — San Francisco 49er president Lou Spadia proposed that the National Football League expand to 30 teams.

MARCH 25, 1922 — Johnny Weismuller swam the 300 meter free style in 3:35.2, establishing a new world record. Weissmuller later went on to star in numerous Tarzan films in the early 1940's.

MARCH 26, 1972 — The Los Angeles Lakers, led by Wilt Chamberlain and Jerry West, ended their regular season with a record 69 wins in 82 games, establishing a National Basketball Association record.

Tharp leads Leigh golfers

KEITH THARP of Leigh carded a 65 over 16 holes at the Santa Teresa Golf Course to pace the Longhorns to a 22½-1½ West Valley Athletic League golf win over Campbell high school.

Camden, behind Chris Stedeler's 68 over 14 holes at Santa Teresa, posted a 21-3 victory over Prospect in another WVAL match.

Ruiz blanks Carmel 2-0

Warrior pitchers hot in pair of non-league wins

PITCHING WINS games. The Westmont Warriors proved that in a pair of non-league tilts recently.

The Warriors' Tim Mooney and Scott Ruiz both turned in stellar mound performances to pace Westmont to victories over Mt. Pleasant and Carmel.

Mooney stopped the Mt. Pleasant Cardinals on just two hits in a 6-1 triumph at Westmont.

Darin Massey led the Warrior attack in the victory with two hits, including a home run.

Ruiz, meanwhile, struck-out 13 and allowed only four hits in hurling the Warriors to a 2-0 shut-out of Carmel last Saturday in Carmel.

Bob Bossi paced Westmont's seven-hit attack with a double.

The Prospect Panthers, meanwhile, got off to a great start in the annual Easter Lions tournament but had the misfortune of running into the Overfelt Royals in second round action.

The Panthers opened tourney play with a 3-1 win over Washington behind the three-hit pitching of George Thum, who upped his pre-season record to 2-0.

Thum helped himself at the plate with two runs-batted-in while Phil Rebboah and Mike Cetinich both slammed doubles.

THE PANTHERS' tournament stay ended abruptly last Saturday when they were crushed 16-1 by the red hot Overfelt Royals.

Three Prospect pitchers were touched for 16 hits while the Panther defense committed six errors. Prospect managed just four hits in the loss.

Los Gatos remained alive in the tournament last Saturday by nipping the powerful Independence 76ers 2-1 on a sixth inning homer by Ron Hansen.

Jeff Kefauver notched the win in relief of starter Dave Niemiec.

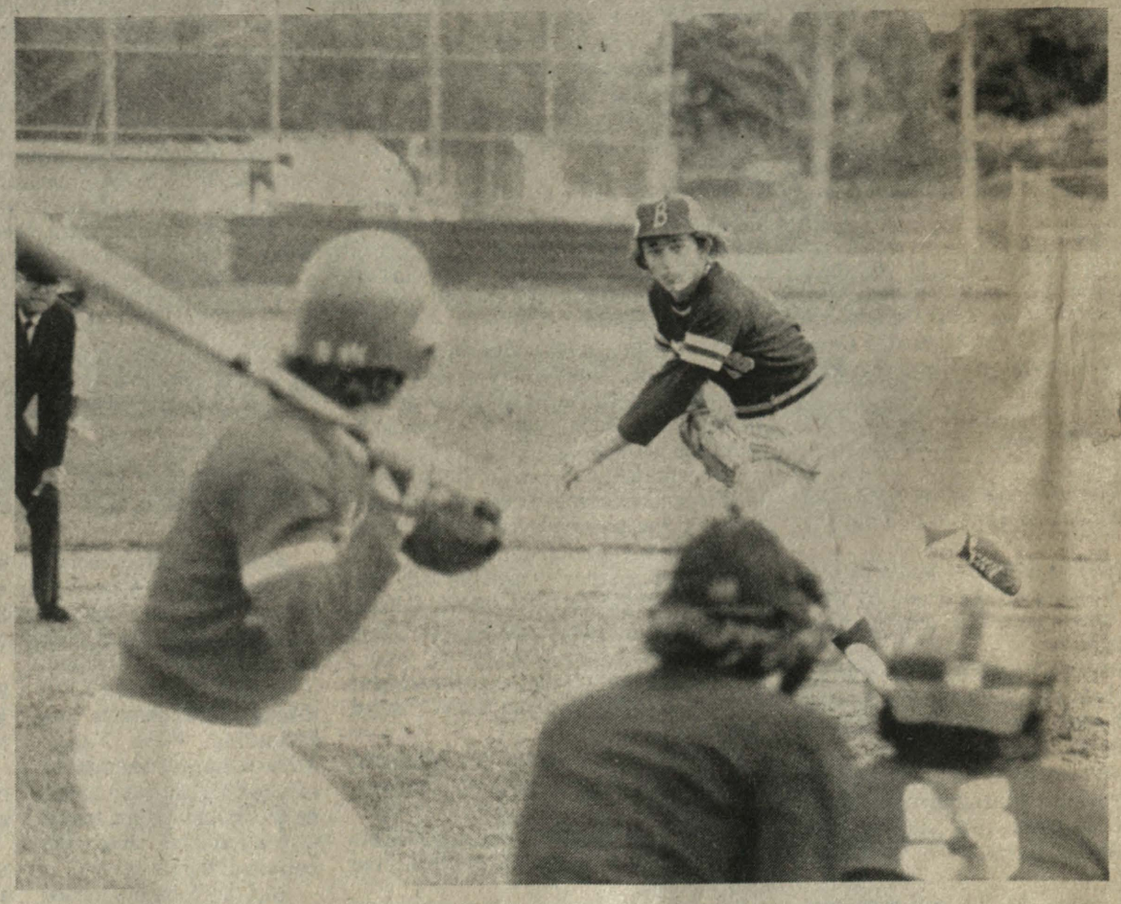
Jim Diaz whirled a five-hitter to pace Prospect to an 8-2 victory over Cubberly in a non-league game last week. Diaz also cracked a two run double to help the Panthers to the win.

Tim Fleury chipped in with two hits in three hits for the Panthers.

Westmont dropped a 6-3 decision to Piedmont Hills the same day despite a two for four effort by Darrin Massey. Massey tripled and singled and drove in a run for the Warriors in the loss.

Blackford could manage just three hits in an 8-1 non-league loss to Independence recently. Bob Jacques shut-out the Sixers over the first three innings before Independence broke loose in the fourth.

The Braves came back to battle Live Oak to a 5-5 tie before darkness cut the game short. Dave Payne led the six hit Blackford attack with a perfect three for three day. Payne, who hit .625 in a half season on the frosh-soph last year and hit .330 the other half of the season on the varsity, drilled two doubles and slammed a triple in the game.



DOWN THE MIDDLE — Blackford senior lefthander Bob Jacques uncorks a curve that breaks down the middle of the plate in a recent 8-1 loss to Independence. Jacques fired three innings of shut-out relief.

Townsend brothers enjoy great years

THE 1977-78 BASKETBALL season wasn't exactly a major success for the Camden Cougars, who failed to reach the West Valley Athletic League play-offs for the first time in four years.

But the 1977-78 campaign was quite successful for a pair of Camden high graduates, who just happen to be brothers.

The Townsend brothers, Raymond and Kurt, both put together brilliant seasons and have their respective teams into post-season play.

Raymond Townsend, who was the WVAL's Most Valuable Player in 1974, was superb this season for the UCLA Bruins, who finished the regular season as the nation's number two ranked team behind number one Kentucky.

A senior guard, Raymond was recently tabbed to Pacific-8 Conference's first all-league team along with UCLA teammates Roy Hamilton and David Greenwood, the Pac-8's MVP.

A four year varsity letterman at UCLA, Raymond wound up as the Pac-8's fifth leading scorer this year, averaging 15.8 points per game by pumping in 221 points in 14 games. His overall scoring average in 1977-78 was 14.9 (373 points in 25 games), sixth best among Pac-8 players.

THE ELDER TOWNSEND was third in the Pac-8 in free throw percentage (87 percent) and ninth in field goal percentage (53 percent).

In overall play, Townsend sank a sizzling 55 percent of his shots this season, pouring in 169 of his 309 shots from the field — fifth best among Pac-8 players.

Ray continued his sparkling play for the Bruins in the opening round of the NCAA play-offs, pumping in 23 points to spark UCLA to an 83-76 win over Kansas.

The former Camden high superstar drilled in six of his points in the final minute and a half to enable the Bruins to pull away to their hard fought victory.

It was his two free throws with 2:19 left that gave the Bruins a 77-76 lead, a lead they never relinquished.

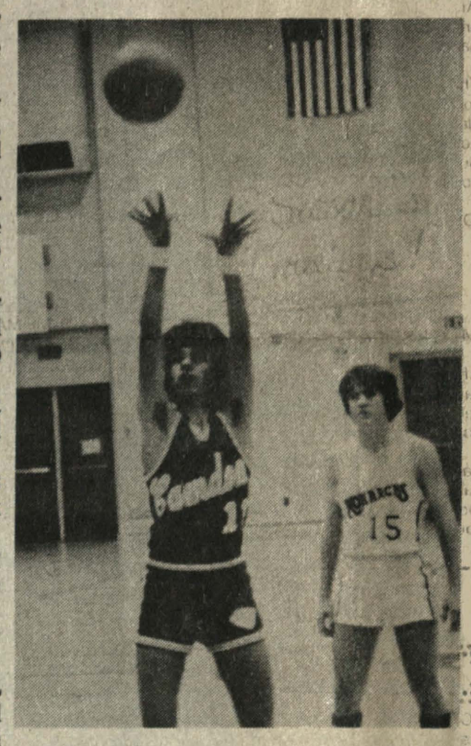
Townsend popped in eight of 12 shots from the field and was a perfect six for six from the line.

While Raymond was busy putting together a stellar senior season for the UCLA Bruins, Kurt Townsend was a sophomore sensation at Menlo junior college.

KURT, A FIRST team all-WVAL performer in 1976, was a scoring and defensive standout for Menlo all season long, leading his team to the Coast Conference championship.

The younger Townsend was selected the Co-Most Valuable Player of the Coast Conference along with Skyline's Ted Scott.

It was largely on the strength of the play of Townsend and Branham high product Kevin Smith that Menlo captured the Coast Conference title and advanced to the state junior college tournament in Long Beach.



BRUIN BOMBER — Camden high graduate Raymond Townsend was a key player for the UCLA Bruins this year, helping his club to yet another Pac-8 title. The Bruin bomber was one of the country's top shooters and earned all-Pac-8 honors.

Heldt's throw helps ice no-hitter for Kensill

JANET HELDT spends half of her time on the West Valley College women's softball team toeing the pitcher's rubber. So she knows how great the feeling can be for a pitcher to realize a dream and throw a no-hitter.

Sue Kensill (Camden) was working on a dream game last week for West Valley heading into the sixth inning. But without the help of the strong right arm of Heldt (Westmont), that dream wouldn't have come true.

No, Heldt didn't come on to relieve Kensill, complete the no-hitter and pick up a save — she saved the gem from her spot in right field.

Kensill had no-hit rival De Anza College over the first five and two-thirds innings before a Don stroked what appeared to be a clean base hit into right field.

But a hard charging Heldt came on to scoop up the softball and fire a strike to first sacker Kim Bowles (Pioneer) to cut down the De Anza runner short of the bag.

The outstanding play kept Kensill's no-hitter intact. And the Vicking fireballer made sure her gem didn't slip away by getting the Dons on three seventh inning ground balls to secure a 4-0 win and a no-hitter!

"SHE THREW a super game," said Viking coach Les Hearn of Kensill after the no-hitter. "She had De Anza off on their timing, popping up and grounding out."

Kensill, who ran her season mound record to 4-0 and her conference mark to 3-0, fanned six and walked just three in the win. It was West Valley's fifth league win of the season, the Vikes coming back two days later to make it six with a win over San Jose.

Kensill allowed just four baserunners in the game and no Don runner got past first.

Kensill also was aided by a fine play by Viking second sacker Jan Ponticelli in her no-hit performance. Ponticelli made a leaping, over the head catch of a line drive to the right side of infield in the fifth to haul in a would-be hit.

Ponticelli and Jeanne [illegible]e (Branham) were the stars at the plate in the game for West Valley. Ponticelli was two for three with a triple and two runs-batted-in and Wilde was two for three with two triples and an rbi.

Kensill, Pam Goldsborough (Willow Glen), Terry Berg and Mary Talpas (Willow Glen) also singled in the win for WVC.

PERFORMING in the Campbell High School auditorium on Friday, March 31, will be the Peninsula Banjo Band, sponsored by the Odd Fellows of District 107 and Rebekahs of District 3. Proceeds from the 8 p.m. performance will go to send a student delegate on the United Nations Pilgrimage for Youth educational tour.

Science Fair winners

Earthworms, soil erosion and hair were a few of the winning project titles at the 20th annual Science Fair of the Campbell Union School District held at Castlemont School.

Close to 180 science projects were entered by 4th through 8th grade students in local schools, as well as St. Lucy's School and 21 youngsters were named division winners. Thirty nine other students received honorable mention ribbons,

Division winners were:

FOURTH GRADE; Janet Jachman, Joe Masters and Catherine Norbutas, Marshall Lane; Tom Slater, Sherman Oaks; Minh Nguyen, Dover and Keith Beggs, Castlemont.

FIFTH GRADE; Mike Carrothers, Sherman Oaks; George Schillinger, Rosemary; Beth Kilcoyne, Marshall Lane; Aaron Lyon, Forest Hill and Christina Nakata, Lynhaven.

SIXTH GRADE: Lisa Boes and Joel Lima, Forest Hills; Tiffany Shirley, Marshall Lane; Randy Vilfroy, San Tomas; Gina Watson, Monroe, Loc Nguyen, Dover and Pete Griffin, Lynhaven.

SEVENTH GRADE; Stephanie Rodman and Aneda Chavez, Rolling Hills and Eden Anderson, Campbell.

Most colorful hat in last week's Campbell Senior Social Club bonnet contest was worn by Dee Romero, 1347 Capri drive, who sported a stuffed peacock. The contest was part of an Easter party by the local group held in the Campbell library Community Room.

Couple plans a June wedding

Gene and Phyllis Hofer recently announced the engagement of their daughter, Katheryn, to Gregory John Evans of San Jose, at a reception held in their Campbell home.

Katheryn, a graduate of Campbell High School and San Jose state university with a degree in theater arts, is currently engaged in graduate studies at the university.

She is vice president of the university's Humanities Club.

Gregory, son of John and Charlene Evans of San Jose is a graduate of Camden High School and the University of California at Berkeley with a degree in religious studies.

He plans to enroll in the master's program.

The couple plans a June wedding.

Moorpark school

Awards program a big success

A "Writer of the Week" award program, which got underway in January at Moorpark School, has been a huge success with between 100 and 150 entries submitted each week by students.

According to Principal Myra Castner, every Friday afternoon poems, stories or reports from each classroom are sent to her office for weekend reading. The following Monday selected writings are displayed on the walls of the office and stay up for a week. The names of the award winners are read over the school loudspeaker and certificates are awarded.

Future plans include publishing a school anthology and Children's Writing/Book Faire to be held April 11 in conjunction with the Home and School Club's family spaghetti dinner.

Moorpark students will also display their writing at the county Children's Book Faire April 22 at the San Jose Main Library.

A transit system that works

Two weeks in the London underground

By GEORGE VIERHUS

IN THE MINDS of most people, "underground" probably connotes a clandestine operation of a subversive nature or maybe even a government in exile.

That is, unless one happens to be in London, England.

In London, "The Underground" refers to one of the largest electric underground railway systems in the world. It is popularly called "underground" because the original sections operated in a network of tunnels. There are more than 275 "underground" stations in London and its suburbs covering some 254 route miles.

But, obviously, one does not travel all the way to London just to ride the "underground," although I readily admit that each time I'm there I enjoy exploring that great city in the role of a mole that goes down into one's hole and comes up at a pre-determined destination.

THERE IS SO much to see in London, a city that can trace its history back for nearly 2000 years and the treasures and traditions of the past centuries are honored today in a city of almost 7.5 million people and covering about 735 square miles.

Yet getting around (under) London to the points of interest via the "underground" is convenient, economical and interesting. And often it can also be somewhat challenging, especially to one with no sense of direction.

Recently I accompanied Don Hebard and his son, Doug, on a two-week trip to London. The Hebards were on business while I just went along for the ride. That allowed me to explore on my own, picking up from where I had left off on previous trips to London town. And because I had been initiated in the use of the "underground" in past visits, this time I tackled the trains with enthusiasm and confidence. Well, some confidence, that is.

IT ALWAYS helps, of course, to know what places of interest to see before starting out on a journey. But in London that's not too difficult, for there are guide books galore that describe the historical spots and, in many cases, even list the proper "underground" line to take. In fact, London Transport that runs the extensive bus and "underground" network publishes brochures, booklets and maps geared to help the tourist.

The most essential and comprehensive aid is entitled "London Transport Official Tourist Information." It folds into a handy 3-inch x 6-inch pocket-sized booklet but spreads out to an 18-inch x 21-inch map that covers one side labeled "Visitor's London" and on which the main streets are in readable red ink and 102 places of interest are listed and keyed to it. The other side is filled with essential facts about getting around London.

The booklet sounds quite simple, and it really is, although I always managed to complicate matters in my bungling efforts to fold that map back into its original neat pocket-sized shape.

The only other difficulty I had was getting oriented from the map. I invariably seemed to get turned around and would start off in the wrong direction. It didn't take long to whip that. As soon as I decided which way I should go . . . I would head in the opposite direction.

WE STAYED AT the Piccadilly Hotel which is a convenient location for many activities. For example, within walking distance of the hotel are at least 10 legitimate theaters and we managed to attend three stage performances during our stay. The hotel was less than a half block from the Piccadilly Circus "underground" station and, despite the inclement weather which generally consisted of bitterly cold drizzling rain or worse, the short walk to the station presented no real problem.

You must buy your ticket either from a ticket machine or the ticket office and then wait for your train on the correct platform. Ticket machines are set up in all the stations and above the machines is a list of the fares to other stations, starting at "10p." (There are 10p's (pence) to a British pound currently worth about $2.) A "10p" ticket generally is to the next station. The farther one travels, the more it costs.

The ticket is given up at the end of the journey. Conceivably, a person could travel all day underground for "10p," provided he figured out through transfers how to come out at the proper destination. It is doubtful, however, that anyone would want to turn into that much of a mole.

All the stations are well-signed. You just follow the directions to the line you want; wait for the train that whizzes up to you at the proper platform; climb aboard and then get off when you reach your station. Then you follow the "way out" signs, hand over your ticket and there you are.

TO THOSE OF US who have become conscious in recent years over the lack of adequate public transportation in our own area, the efficient transit system in London is a revelation and intriguing. I visited the huge London Transport Office, off St. James Park, where I was guided to proper officials on the fourth floor and furnished with much background information on this massive subsurface operation.

I learned that the first steam railway went underground in London in 1863, was nearly four miles long and was created to relieve the increasing street congestion of the mid-19th century.

Other lines were developed as the years went by and today there are eight making up the London Transport system of underground railways. The Victoria line was the last to be built and was officially opened in 1971 and the Piccadilly line was extended to Heathrow airport in 1975, the only new construction since World War II.

During the "blitz" of London in WWII, the underground stations were used as shelters.

In the air raid on September 27, 1940, approximately 177,000 took shelter and an average of 60,000 per night used it during the remainder of the war.

The stations were also used as shelters during the Zeppelin raids of 1917 in the first World War.

IN ADDITION to the 4500 cars that roll on the "underground" tracks, London Transport operates 6,900 buses and employs about 60,000 people. A city as big as London could not exist for long without both forms of transport.

There are, of course, hundreds of taxis that buzz around London, so getting around (or under) London to the places of interest is not a difficult task.

I thoroughly enjoyed the British Museum and Library where I got in on a delightful lecture on famous letters that were on display and I managed to attend a court session in the famous "Old Bailey" court; scene of many famous trials. We visited Westminster Abbey, St. Paul's Cathedral and Westminster Cathedral.

And getting to those places was fun, too.

Especially by the "underground."

Brochures list YW classes

Free spring brochures listing YWCA classes, clubs, interest groups, and other services are now available at all office locations of the YWCA in Santa Clara Valley or may be obtained by calling 295-4011 or 735-8980 in Sunnyvale.

This quarter, for the first time, activities will be offered in the Santa Teresa-Morgan Hill area — in the Community Lutheran Church at 7275 Santa Teresa Blvd. — as an extension of the YWCA's South San Jose program established in Almaden Hills Methodist Church.

APPEARING in Saratoga Drama Group's production of "Anything Goes," will be Greg Nigh, Lorri Caprista and Greg Franks of Campbell. The Cole Porter play opens Friday, March 31, for a 14-performance run at the Saratoga Civic Theater. For ticket information call 264-3110.
